# TENNESSEE GENERAL ASSEMBLY FISCAL REVIEW COMMITTEE

## **FISCAL NOTE**

HB 1526 - SB 1989

February 24, 2011

**SUMMARY OF BILL:** Adds as a violation of the Consumer Protection Act (CPA), which is a Class B misdemeanor, the representation that an Internet-based ticketed sale price has increased after completion of the sale.

### **ESTIMATED FISCAL IMPACT:**

#### **NOT SIGNIFICANT**

## Assumptions:

- According to the Department of Commerce and Insurance, the bill creates an additional specific ground for which the Division of Consumer Affairs will be required to receive, investigate, and mediate consumer complaints. Any cost can be accommodated within existing resources without an increased appropriation or reduced reversion.
- A small increase in cases in the court system, which will result in additional state and local government expenditures for processing the cases and additional state and local government revenue from fees, taxes, and costs collected. These expenditures and revenue are estimated to be not significant.

## **CERTIFICATION:**

The information contained herein is true and correct to the best of my knowledge.

James W. White, Executive Director
